Lane Overview

Our Global Outreach Lane is committed to fulfilling the Great Commission by spreading the Gospel, planting churches, and positively impacting the lives of people around the world. We partner with various ministries and missions that are specifically chosen for their ability to make a real difference in areas affected by poverty and a lack of access to resources. Our goal is to help bring about lasting change and transformation in communities worldwide.

Vision Projects

Unreached People Groups

Converge deploys global missionaries to reach unreached people groups through evangelism, discipleship, and church planting. They also provide training and support to local volunteer disciple makers, focusing on compassion ministry. With missionaries in regions like Sweden, Poland, the Philippines, the Middle East, and Japan, Converge actively spreads the Gospel and offers hope worldwide, making a difference in countless lives and communities.

Water is Life Sierra Leone

For 16 years, in partnership with the Rotary Clubs of Fishers, Indiana & Freetown, Sierra Leone, and World Hope International, we've provided clean water access to over 400,000 people in Sierra Leone through 159 wells. We strategically place these wells to ensure sustainability and fulfill basic water needs for schools and health clinics. Your contribution is multiplied through our long-term support and matching grants, with over \$1,800,000 raised to date, making a significant impact on the health and hope of Sierra Leone's communities. Join us in this vital mission.

The Jesus Film Project

We're actively sharing the message of Jesus in Sierra Leone through the Jesus Film Project by setting up generators, projectors, and speakers. These events draw crowds from far and wide, and we've been funding them for years. In recent efforts, we reached 25 additional communities, impacting approximately 6,400 people and leading to 1,617 individuals making decisions for Christ – a remarkable 25% of the audience! Pastor Andrew Sara Kargbo is instrumental in this mission, and we're dedicated to supporting him in bringing the Jesus Film to more villages in the coming year.

Worldwide Disaster Relief

With your support, Heartland can respond promptly to global emergency relief needs, demonstrating the love of Jesus through tangible actions. We've recently aided Ukrainian refugees affected by the Russian War, provided assistance to earthquake victims in Turkey in 2023, and sent teams to support our missionaries in Poland, gaining valuable insights for ongoing crisis assistance. Our commitment to making a positive impact and showing Jesus' love to those in need remains unwavering.

Connection Opportunities

Go on a Missions, Vision, or Education Trip. Join us on short-term mission trips to help make a difference as we share in what God is doing around the world. Every day, Heartland Church and our partners are planting a church, feeding the homeless, serving someone in need, and spreading the gospel to unreached people. Several trips are already planned, with more to come. To learn more, go to heartlandchurch.com or email Tom Branum, Jr. at legacy@heartlandchurch.com.

Prayer

- Pray for open hearts among the lost, especially new believers, to boldly share the Gospel.
- Pray for missionaries, church pastors, and their teams in challenging and dangerous areas, asking for favor and protection.
- Pray that God will raise leaders for the Hui unreached people group in China and that Psalm 91 will be a source of strength for the underground church leaders.
- Pray for the persecuted church to feel God's presence, connect with the broader Christian community, extend forgiveness and love to their persecutors, find renewal in God's Word, and deepen their faith.
- Pray for the full funding of mission initiatives and the raising up of leaders for the harvest.
